

American Association for Long Term Care Nursing

LPN in Long Term Care Certification Workshop: LPN-CLTC™

Thursday, March 1, 2012 * 8:00 am–5:00 pm

Presenter: *Lori Gutierrez, BS, RN-C, RAC-CT, DON-CLTC, CBN*

This workshop provides the core knowledge required by LPNs for providing basic clinical and managerial nursing services in a long term care facility and passing the LPN-CLTC™ Certification exam.

Topics included are:

- Responsibilities of LPNs in long term care facilities
- Reactions of residents and their loved ones when residents are admitted to a nursing home
- Components of a resident assessment
- Factors that enable care plans to be good working tools
- Major clinical risks to residents
- Signs of medical emergencies
- Age-related changes that impact drug therapy in older residents
- Measures that promote safe medication use
- Key aspects of assertiveness, communication, time management, delegation, performance appraisal, and complaint management that impact effective management
- Legal risks in long term care nursing and measures to reduce them
- Sources of stress in long term care nursing and measures to manage them

Requirements for Obtaining the LPN-CLTC™ Certification:

- Hold an active license as a licensed practical nurse
- Have at least 2 years experience as a LPN in a nursing home
- Complete the one-day workshop
- Pass the examination with a score of at least 80%

Contact hours provided through Health Education Network, an Approved Provider by the American Nurses Credentialing Center's Commission on Accreditation.

Workshop Fee: _____ AALTCN Member \$135.00 _____ Non-Member \$185.00

Fee includes workshop materials, handouts, 10 contact hours and certification upon successful completion.

Breakfast & lunch provided. **Cancellations received 3 days or fewer prior to the event will be subject to a \$25.00 fee.**
